

Baltic-American Freedom Foundation

March 31, 2020

Due to the coronavirus (COVID-19) pandemic, BAFF regrets to inform that both BAFF 2020 Leadership Academy programs in the U.S. have been CANCELLED. No scholarships will be awarded to any of the applicants. We know this is disappointing, and we respectfully ask for your understanding.

We have been carefully monitoring coronavirus developments both domestically and globally over the past few weeks. It is impossible to predict how the situation will develop in the world during the coming months. CIEE has made the difficult decision to cancel the program, as the highest priority, always, is the health and safety of participants.

We are gratified that so many students from all three Baltic countries were interested in participating and put their best work into their applications. We sincerely regret that we will not be able to serve the many outstanding students who applied.

Despite our disappointment, it is important for us that we move forward together. All applicants are kindly asked to keep an eye on the variety of programs that BAFF offers. One of them may be a good fit in the future:
